

Is  
**McKool Smith**

more than just a great  
**intellectual property**  
firm?

It's easy to see why *IP Law360* just named us an

# "IP Firm of the Year"

**\$19 million patent verdict**

for **OPTI Inc.** against computer giant **Apple**

**\$267.5 million settlement**

for **Visto Corp.** with BlackBerry maker **Research In Motion**

**\$139 million verdict**

for **Versata Software** against **SAP AG**

**\$290 million judgment**

for **i4i Inc.** against **Microsoft**

But that's

**just part**

of our story...

We're  
**Winning**

**\$26.25 million settlement**

from the **NFL Players Association** in a licensing dispute

**\$20 million verdict**

against a group of online travel companies for the  
**City of San Antonio** and more than 150 other  
Texas cities over unpaid taxes

We're  
**Growing**

Expanding our New York operations in One Bryant Park,  
the city's top business address.

A new office in Houston.

Boosting our presence in Washington DC  
with the addition of key lateral hires.

# We're Seasoned

Our bankruptcy practice is led by one of the nation's preeminent bankruptcy attorneys with more than 45 years' experience in reorganizations and adversary proceedings. We avoid the conflicts clients face at many other law firms.

Our white collar practice is led by two former federal prosecutors with more than 80 years' combined experience representing corporations and corporate officers in regulatory inquiries, internal investigations, and claims under the Foreign Corrupt Practices Act.

We're  
**Honored**

**More Top 100 Verdicts Than Any Other Law Firm in 2008**

***The National Law Journal's* 2009 Midsize Hot List**

***A Fortune 500 Go-To Law Firm***

There's  
**a lot more**  
to McKool Smith  
**than just IP**
